Sreedei Vareil-Musqat
Roxanna Alessio-CA
Mary Anne Rogers-OK
Leon Fields-GA
Kristin Isaac-PA
Kaycee Watson-TN
Jennifer Huber-PA
Cathy Piche-IN

Awesome life skills lessons using the ARISE Positivity Book

Wikipedia says visual learning is a teaching and learning style in which ideas, concepts, data and other information are associated with images.

Advantages of visual learning:

- Increases interest in a subject.
- It is interactive and allows
- Helps in retaining information
- Learn faster

The youth of today have short attention spans. They are used to video games , computers which are visual and fast moving.

The ARISE Positivity Book is made up of all visuals to teach life's lessons quickly and easily in a format that resonates with at-risk youth and their caregivers. A picture is worth a thousand words.

We offer life skills curriculum resources for download

ARISE gives away different [life skills curriculum resources](#) every two weeks along with posters, positivity cards and additional life skills materials.

All we ask is that you use it to help at risk youth make better life choices.
