

we
empower

our mission

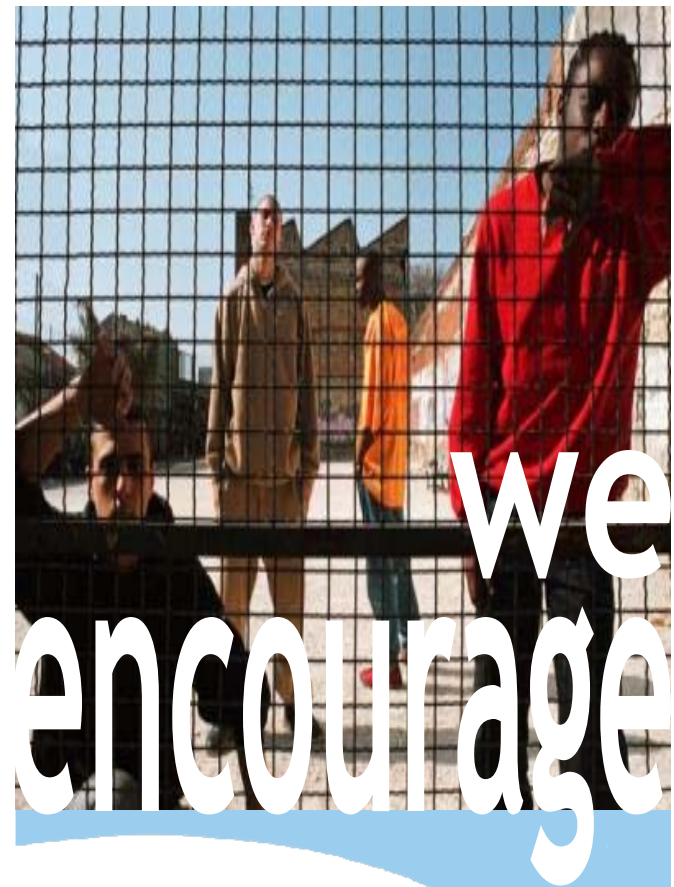

Highly Flavored Ministry, Inc. is a not-for-profit organization committed to encouraging individuals and families of those who are incarcerated, released from prison, suffering from addictions and financial strain. Highly Flavored Ministry, Inc. publishes a newsletter that is mailed to institutions internationally free of charge. This publication is also available for community outreach purposes. The corporation provides helpful resources and life-changing alternatives to those in unfortunate situations. Projects are also geared to help our community's youth.

FLAVORED
MINISTRY, inc.**

the big picture:

striving to redirect lives
one person at a time

Highly Flavored Ministry, Inc. (HFM) is an organization committed to impacting the lives of those in prison. With over two million incarcerated men and women in this country, HFM is the organization chosen to encourage, support and serve that population. Our staff has genuine passion to uplift residents of the penal system worldwide and offer resources to those residents upon their release. HFM also seeks to embrace family members of the incarcerated through various outreach projects.

Mentoring is another service this organization offers; we stand on the belief that early life-skills management training for youth in at-risk situations and in at-risk communities will decrease overall prison statistics.

Healthier communities is our overall goal.

Prison Outreach Newsletter

Fifteen hundred (1,500) newsletters containing encouraging articles by ex-felons, and others once oppressed in life-changing situations, are mailed quarterly, in bulk, to all prisons in the state of Indiana and to prison residents all over the world; mail is sent as far as South Africa.

Newsletters are available free of charge and can also be downloaded at our website. If you would like to get your incarcerated loved one on our mailing list contact us.

Youth Mentoring

HFM has a mentoring component entitled: Project: They Can't Have Us! The mentors from this project work to successfully establish relationships with

community youth through one-on-one mentoring, empowerment film festivals, ARISE workshops and other activities.

ARISE Life-Skills Management Training

Our mentoring project has two certified Master ARISE Life-Skills trainers and over 15 certified ARISE Life-Skills Management instructors. The ARISE program has been used successfully in after-school programs, alternative school settings, youth groups, churches and juvenile delinquent facilities and community programs worldwide. Visit www.ariselife-skills.org.

Contact us if you are interested in professional staff ARISE training

at your facility or if you want our mentors to implement this unique program to your youth.

Angel Tree/Prison Fellowship

HFM partners with the national Angel Tree/Prison Fellowship program to assist children of prison residents to go to summer camp. The organization also donates toys and gifts to these children during the holiday season.

HFM wants to partner with local organizations who share in their mission. Call to include us in your upcoming project.
